Key Features

Crowdfunding campaigns

Eliminates the high investment minimums previously synonymous with PE investing. Start investing with as little as \$100.

Mobile-focused design

Mobile-first design makes investing in private equity accessible to more retail investors.

Secondary market

Experience liquidity in private equity like never before. Buy and sell equity stakes in privately held companies with ease.

Investor education

Comprehensive education tools ensure users understand the risks of PE and have adequate resources to navigate the space.

Low transaction fees

Encourage businesses and investors to turn to Nexcap to secure more of their private equity funding.

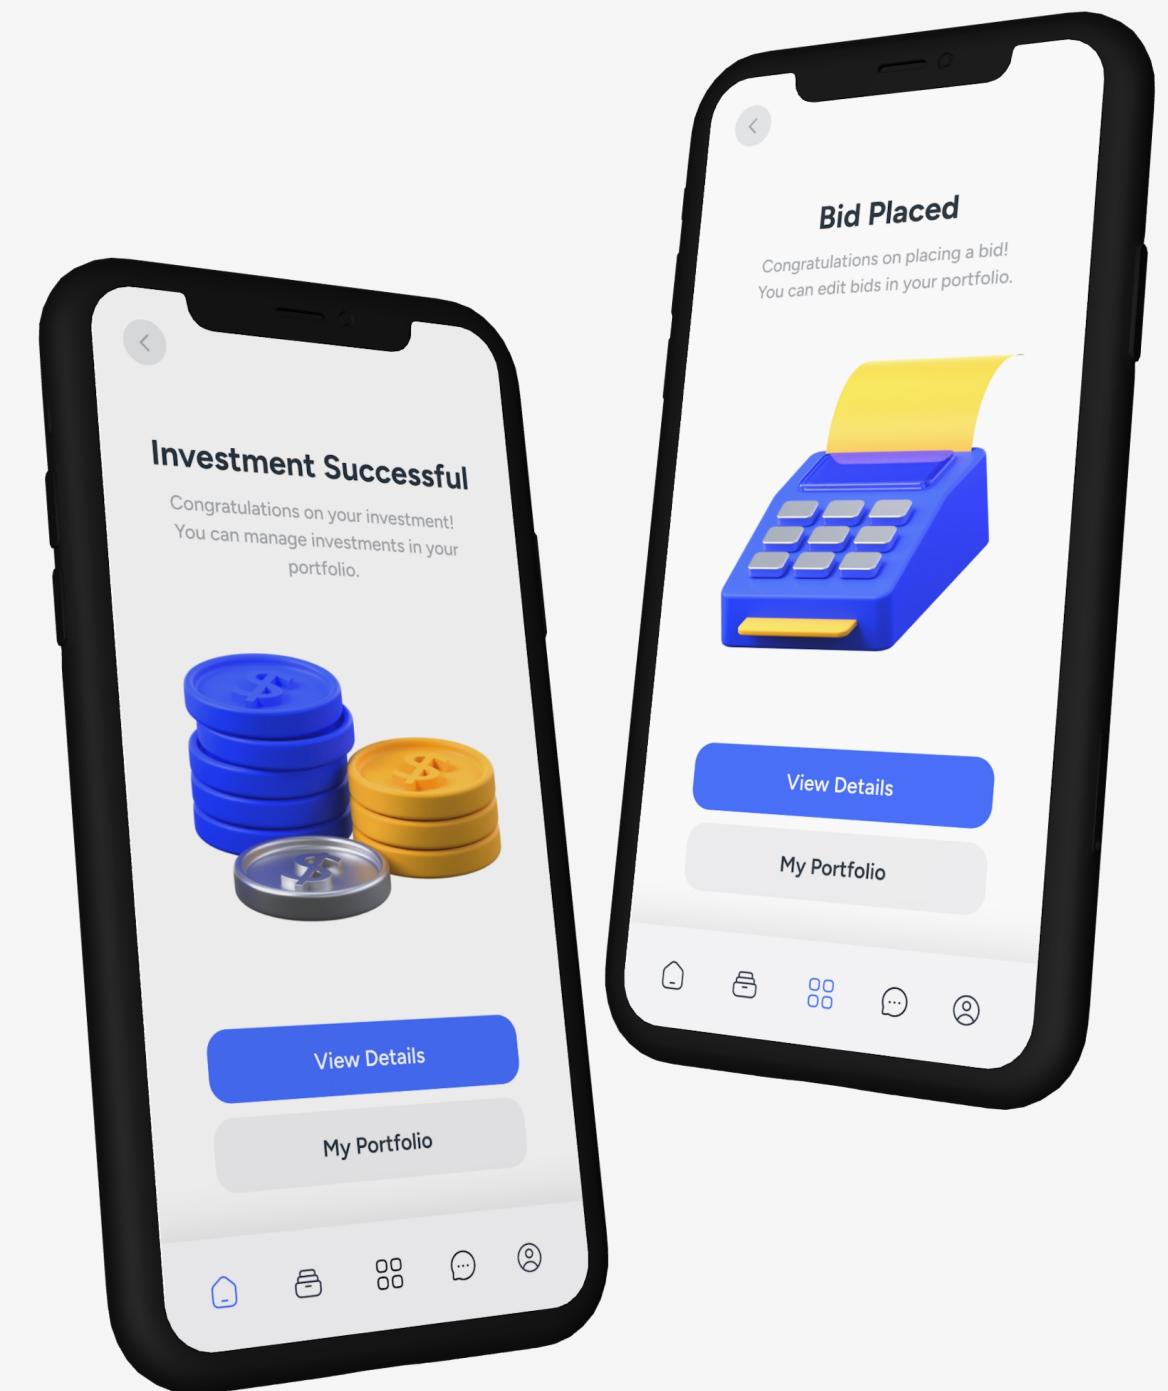

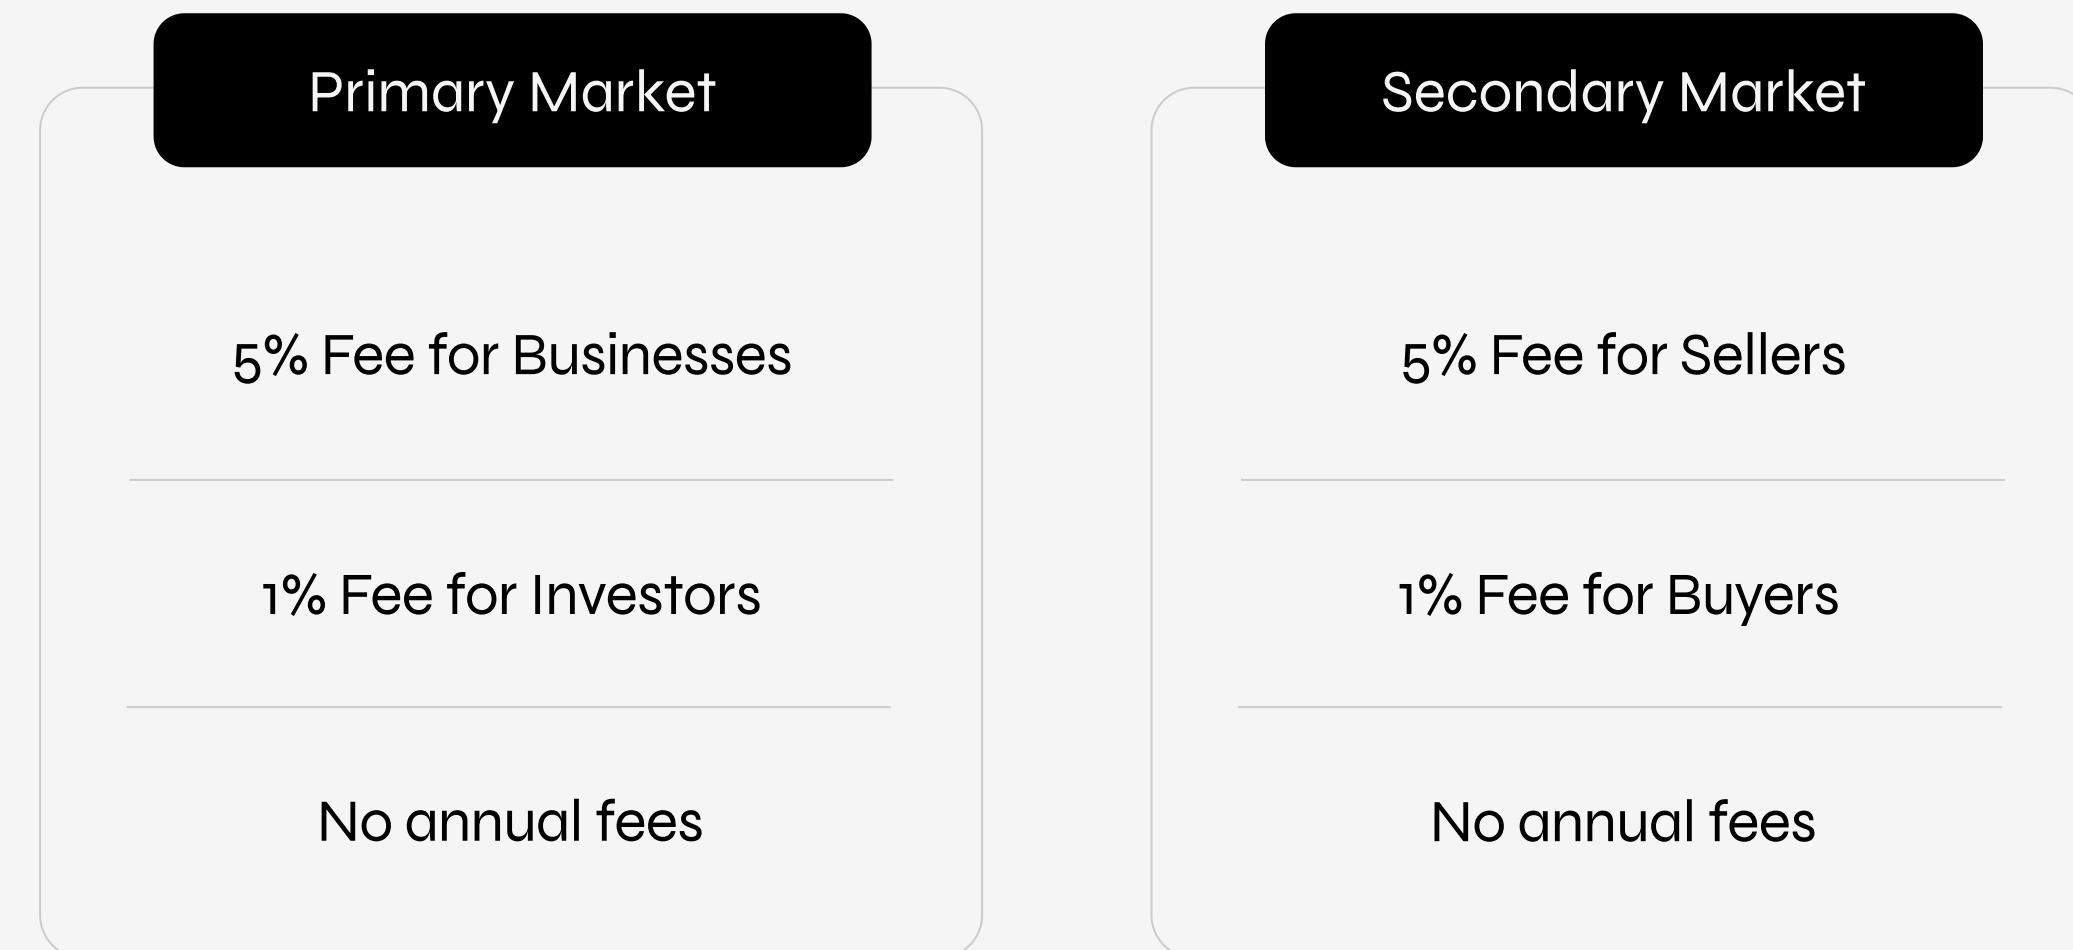

Due diligence tools

Detailed company profiles, financial statements, recommendations, and third-party analysis helps investors make informed decisions.
